

On Saturday 17 February we will be heading up to the annual Otaki Kite Festival. Sunday is the rainy day alternative. Travel will be by train to Waikanae and then bus to Otaki beach, all free on the Goldcard. It's a great day out, with an amazing array of kites flying high above the beach, along with food and other stalls. Let Bill Gebbie know by email billnmary@xtra.co.nz or 0276770180 if you're interested. He will send you further details closer to the time. Here's a link to information about the event.
